LB 888, 942, 1100

CLERK: (Roll call vote taken. See page 1283 of the Legislative Journal.) 19 ayes, 18 nays, Mr. President, on the motion to indefinitely postpone.

PRESIDENT: The bill is indefinitely postponed. Do you have anything to put in, Mr. Clerk?

CLERK: Yes, sir, I do. Mr. President, just one item and that is amendments from Senator Scofield to LB 1100 to be printed. (See page 1284 of the Legislative Journal.) That is all that I have.

PRESIDENT: The call is raised. Okay, we will move on to LB 942. Okay, this will be the last bill apparently. Is that what you are saying, Mr. Speaker?

CLERK: Mr. President, 942 is a bill introduced by Senators Chizek, Hall, Ashford. (Read title.) The bill was introduced on January 6. It was referred to the Business and Labor Committee for public hearing. The bill was advanced to General File. I have committee amendments pending by the Business and Labor Committee. (See page 827 of the Legislative Journal.)

PRESIDENT: Senator Hall, please.

SENATOR HALL: Thank you, Mr. President and members. LB 942, as the Speaker has told you, was brought to the Business and Labor Committee by Senator Chizek, myself, and Senator Ashford. It deals with the issue of teachers and their bargaining units. It deals with the Industrial Relations Act. The committee amendment that is proposed simply organizes the bill a little better with regard to how the teachers are referred to, the group of individuals that would be included in the bargaining unit. It shortens the bill considerably. It does nothing to the intent or substance of LB 942. It is basically a clarifying and a clean-up amendment and that is all that...there is no substance to the committee amendments. I would urge the body's adoption.

PRESIDENT: Any further discussion? If not, the question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of committee
